2. Air Pods
   “Headphones, because during this time music helps me deal with my mental health and get all the work that I need to do done with ease.”
   (Miranda Esquivel 12)

3. Television
   “My T.V keeps my sisters and I occupied and avoiding fights.”
   (Alexandria Bustamante 11)

4. iPhone
   “My phone is a must have because it is my only way to communicate to people during quarantine.”
   (Kevin Swindells 10)

5. Hot Cheetos
   “Probably my favorite snack, Hot Cheetos with Limon. I have to snack on something when watching movies.”
   (Diva Gutierrez 11)

Making History

Leaving for Spring Break 2020, students expected to return the next week as normal. However, Spring Break took a drastic turn as the Novel Corona Virus became a Pandemic and spread to The U.S. School was canceled for a week before COVID-19 spread faster than expected causing government officials to waive the STAAR test and districts around Texas closed schools for more than six weeks. Meanwhile, store shelves emptied and simple items such as hand sanitizer or Clorox wipes couldn’t be found anywhere and Distance Learning started on March 23. The Child Nutrition Department continued to provide meals to families in the community. Events such as these are truly historic and have never happened before to the ECISD community.

SYMPTOMS of COVID-19

Fever

Cough

Shortness of Breath

Majority of symptoms include a high fever, cough, and shortness of breath. Studies show that sore throat, lack of smell and taste are other less common symptoms of Coronavirus.

The Spread

COVID-19 began in Wuhan, China at a small market. People who were infected did not feel symptoms until five days after coming in contact with the virus or had little to no symptoms at all. Since people did not feel it until days later, they traveled to airports and brought the virus to the world’s biggest cities including New York. Coronavirus is highly contagious. Every one person may spread the virus to 10 other people.

Grind never stops.

My T.V keeps my mind occupied and my sisters and I avoid fights.

FEEL SICK? Stay home.

HANDS: Wash them often. ELBOW: Cough into it. FACE: Don’t touch it. FEET: Stay more than 3ft apart. FEEL SICK? Stay home.

Prevention

Stockpiling

In the U.S and other parts of the world, common goods have been stockpiled causing a shortage of these items in stores.

Clorox Wipes

Water
